

Newsletter Spring 2012

Website goes Live!

It is with great pleasure that we announce that our brand new website goes live on Friday 6th January 2012. It is our intention for the website to provide information about our practice, policies, treatments, costs, and facilities. We have added an extensive range of patient information leaflets and an Ask the Dentist section which we hope will let patients get access to the answers of our most commonly asked questions. Our website address is www.woodhallspdentist.co.uk.

Many thanks go to Amy and all the team at Dental Design who designed our website, also Carly at Photogenix who took all the photographs everyone a pleasure to work with and made the process enjoyable!

Congratulations Lela and James!

All the staff and patients of Broadway Dental Practice would like to offer our congratulations to Lela and James on the safe arrival of their little boy Theodore, last October. We hope you are settling into family life well guys and are not suffering too many sleep deprived nights!

Teeth Whitening

Have you ever wondered about having your teeth whitened? This is a simple procedure that can brighten your smile, leaving you looking younger and beaming with confidence. We provide a home system using Optident products where we provide custom-made trays with a special whitening gel. The procedure requires a couple of appointments with your dentist and is easy and entirely safe. Tooth whitening is priced at £300, why not make enquiries at your next appointment?

Oral Hygiene

Broadway Dental Surgery stocks a range of oral hygiene products including tooth brushes, Tepes, and mouth washes. We aim to be as competitive as possible matching or undercutting when possible prices at Boots.

Some of our products include:

- Peroxyl £4.65
- Perioguard £3.60
- Corsodyl daily £4.65
- Corsodyl gel £2.60
- Tepes £3.10
- Crest Floss Picks £2.10

Rohini Patel

We would like to formally welcome Ro to our team of dentists. Ro has been covering for Lela during her maternity leave but will joining us on a permanent part-time basis this year. We hope this will enable us to take on more new patients. Please telephone the receptionists for more new details. 01526 352929
